2009 Security Guard Committee Agenda

Adopting a new mission statement and publicity campaign to further promote the important role our industry plays in providing safety and security in both the public and private sectors throughout the State of New York

Taking a proactive stance to promote and publicize the role and importance of the security guard industry within Albany and City Hall – reaching out to elected officials in the executive branch, legislators and regulators

Introducing favorable legislation to protect the business interests of security guard owner/operators and, where necessary, aggressively opposing adverse legislation, regulations, taxes or fees

ALDONYS Security Guard Committee Membership Benefits
